### Program Description

The State of California Department of Human Resources (CalHR), Service Employees International Union Local 1000 (Local 1000), Division of Apprenticeship Standards at the Department of Industrial Relations (DIR-DAS), US Department of Labor (DOL), and American River College (ARC) are pleased to announce the second application period for the Cybersecurity Apprenticeship. It is designed to provide upward mobility opportunities for state employees who meet specific criteria and allow them to obtain industry-valued skills for information security occupations.

The Cybersecurity Apprenticeship is funded by a California Apprenticeship Initiative grant and administered by ARC. Cohorts are comprised of incumbent state employee apprentices who enter a Training and Development (“T&D”) assignment in an Information Technology Specialist I classification. The T&D assignment will last up to two years and consist of on-the-job training along with the completion of related supplemental instruction offered by ARC. Upon successful completion of the program, apprentices will meet the minimum qualifications to apply for a civil service IT classification.<sup>1</sup> This classification may vary depending on the apprentice’s individual

background, education, and experience. This program has been developed by subject matter experts to provide apprentices with the education, experience, and skills necessary to be a highly competitive candidate.

While there is no cost to apprentices for tuition, books, or instruction, those applying must be prepared to work hard and make personal sacrifices. Apprentices should expect to attend class during the week in the evenings after work and continue coursework year-round. Apprentices are also encouraged to continue employment with the State of California for a minimum of two years after program completion.

The apprenticeship is currently limited to applicants in the participating departments specified below, along with the occupation and location associated with each opportunity of each opportunity.

- Department of Motor Vehicles (DMV); Sacramento
  - Hybrid work (Must work in Sacramento)
- Department of Rehabilitation (DOR); Sacramento
  - Hybrid work (Must work in Sacramento)
- California Correctional Health Care Services (CHHCS); Elk Grove
  - Hybrid work (Must work in Elk Grove)
- California State Lottery (CaLottery); Sacramento
  - Telework (May work outside of Sacramento/Statewide)

## **Application Review**

The Joint Apprenticeship Committee, with the assistance of the respective departmental human resources offices, will conduct a review of each application packet to ensure applicants meet the following minimum criteria by the final filing date of November 21, 2022:

**Each applicant MUST:**

- Be in a classification represented by SEIU Local 1000;
- Work in the geographic area/location defined by the participating department(s) for which the applicant is eligible or relocate to that area at the applicant's own cost;
- Have permanent, full-time, civil service status in a participating department (listed on page 2).
- Be eligible to participate in and able to perform the essential duties of the T&D assignment, with or without reasonable accommodation;
- Not have formal written discipline within the last 12 months;
- Not have unapproved dock within the last 12 months;
- Not currently be on probation, a T&D, or a limited term assignment;
- Not be in a negative academic standing status at the partnering educational institution (ARC/Los Rios);
- Not have other commitments that conflict with completing the requirements of this apprenticeship program.

Applications will be evaluated and screened based on the criteria above. Additional screening tools (i.e. an aptitude exam) may be required. Applicants will be ranked, and those ranked highest within their department will be invited to interview for the apprenticeship. Applicants who are accepted into the program will be notified by the Joint Apprenticeship Committee. Additional steps will be defined at that time, and class enrollment will follow.
